WEBSTER CITY COMMUNITY SCHOOLS

Mission

The Webster City Community School district, in partnership with families and community, will provide a quality education in a safe environment for all students.

Developed with input from representatives from the elementary level, middle school, high school, administration, and board during April 1997.

Collective Commitments

As a staff, we will commit to and provide...

- A comfortable, safe, positive environment
- High, clearly defined expectations supported by standards, benchmarks, and relevant curriculum
- Hands-on activities, experience-based learning, and active participation
- Various instructional strategies, multiple assessment methods, flexible and varying schedules
- Analysis of data to provide interventions
- Integration of technology across the curriculum
- Connections among school, business, community, and parents
- School family members as positive role models, facilitators, encouragers, motivators, and lifelong learners

Drafted on August 21, 1995, with staff and community representatives. Discussed and refined by staff during May 1997.

Essential Learnings

- Basic Knowledge (including math, language arts, science, social studies, etc.)
- Communication Skills (including reading, writing, listening, speaking, etc.)
- Technological Skills
- Thinking and Reasoning Skills
- Interpersonal Skills/Social Skills
- Personal Responsibility Skills
- Explore the Fine Arts

Compiled with the responses from the surveys of staff, community, and business during the fall of 1996. Refined by the School Improvement Team during the spring of 1999.

Vision

- Focused, Viable, Relevant, Rigorous, Consistent Curriculum
- Consistency in Curriculum & Instruction
- Equity For All Students
- Use of Research and Best Practice
- Consistency in Grading & Assessment

Developed with input from representatives from the elementary level, middle school, high school, administration and board in 2009.

District Goals

Curriculum

Further develop, implement, and assess PreK-12 discipline-based standards and benchmarks to promote student achievement and learnings

Positive Climate for Learning

Continue to promote PreK-12 teaching and learning strategies that focus on student learning through an engaging curriculum in a caring environment

Career Awareness

Implement and integrate PreK-12 career awareness, career exploration, and career planning & preparation

Technology

Integrate technology within the PreK-12 curriculum
