FOR IMMEDIATE RELEASE

### **Sale of Former Shopko Building**

Webster City is pleased to announce the purchase of the existing building located at 200 Red Bull Division Drive, formerly the location of Shopko. The owners of Appliance Plus, Gary and Brenda Fox, Oelwein, Iowa, had this to say, “We are a small company that will be bringing a new U.S. Cellular store and our existing appliance business to Webster City. We are a 4th generation family-owned business. We have 3 appliance locations now in Oelwein, Independence, and Charles City, Iowa. Webster City will make number 4. We sell new, scratch & dent, and reconditioned appliances, and we service and deliver what we sell. We have 6 U.S. Cellular locations now in Oelwein, Independence, West Union, New Hampton, Charles City, and Webster City, Iowa. We took over the current U.S. Cellular in Webster City in mid-September 2019. We are looking at future possibilities with the extra area in the building. We are anxious to have a great looking location in Webster City. We will be remodeling the building as soon as possible and are planning on having appliances for sale during the construction period. We are very excited to be a part of Webster City and look forward to serving the people and the business community!”

The City welcomes Appliance Plus and their future business endeavors to Webster City!
