FOR IMMEDIATE RELEASE

Webster City Covid 19 response update

Today, Governor Reynolds issued a State of Public Health Disaster Emergency, mandating that effective Noon today, March 17, 2020, and continuing until 11:59 p.m. on March 31, 2020, all restaurants and bars are hereby closed to the general public except that to the extent permitted by applicable law, and in accordance with any recommendations of the Iowa Department of Public Health, food and beverages may be sold if such food or beverages are promptly taken from the premises, such as on a carry-out or drive-through basis, or if the food or beverage is delivered to customers off the premises.

In an effort to support our local restaurants in meeting these new requirements, the City of Webster City is accepting requests from establishments to install temporary signs reserving up to two parking spots for pickup/takeout service. To request signs, please call the City Manager's Office at (515) 832-9151.

We appreciate your patience while necessary actions are taken to protect the health and safety of all Iowans and which are critical to mitigating the spread of the virus.

If you have any questions or require any additional information, please contact;

Jeff Sheridan, City Manager at
