RE: BEACH STREET PCC REHABILITATION PROJECT: PUBLIC INFORMATION MEETING

Dear Resident or Property Owner:

On behalf of the City of Webster City, we wanted to provide you with information on the proposed Beach Street Rehabilitation Project. The project includes pavement concrete patching along Beach Street from 400 feet south of Ohio to Second Street. The project also includes some storm sewer intake reconstructions, manhole adjustments and sidewalk ramp and crossing improvements for compliance with the Americans with Disabilities Act (ADA). Detours will be in place during construction and improvements will be staged to allow traffic to cross Beach Street. Access will be maintained to all properties with limited driveway closures or access restrictions.

- What:** Public Information Meeting – Open House
- Date:** Tuesday, October 8, 2024
- Time:** 4:30 p.m. to 6:00 p.m.
- Location:** City Hall Council Chambers
400 Second Street, Webster City

The City of Webster City would like to invite you to attend an informal, public information meeting on **Tuesday, October 8, 2024**, from 4:30 p.m. to 6:00 p.m. City staff and representatives from Snyder & Associates, Inc. will be available to discuss the proposed project scope, schedule, construction staging, impacts to your property, and to answer questions regarding the improvements.

Drawings of the proposed design will be displayed for review and comment. The public information meeting will be held at the Council Chambers in City Hall. The meeting is an open format and residents and attendees are free to stop in at any time during the session.
