Address of Property _____

Attach a drawing of plans with the following information:

- Property boundary line, dimension and area
- Location of proposed pool and existing structures
- Location and type of fencing—it needs to be 4 feet in height
- Plans for the pool
- Method to drain the pool
- Method to secure access to the pool—lockable gates

Certification: I certify that the project will comply with all requirements of the City of Webster City Code of Ordinances and submitted plans.
